What will Maytag Corporation do to fix the dishwashers?

Our recall team will work with customers to determine the appropriate resolution, which may include:

- A free in-home repair
- For qualified consumers, a permanent rinse-aid cap to prevent future dispenser usage
- A voucher for a \$75 cash back reimbursement following the purchase of a Maytag brand, Jenn-Air brand, Whirlpool brand or KitchenAid brand dishwasher

Do customers have to buy a new dishwasher?

No. Maytag Corporation is offering a free in-home repair option to all customers who qualify. For those customers who are the original owner of the dishwasher AND have never used liquid rinse-aid in their liquid rinse-aid dispenser, a permanent cap which will disable the dispenser will also be available.

How will customers know that their dishwasher is no longer a risk after it has been serviced?

The repair will eliminate the risk of fire. Once the unit is repaired, a green dot will be placed on the unit next to the model/serial number tag. This will signal that the unit is safe to use.

Why wasn't the dishwasher tested before putting it on the market?

The safety of our customers is Maytag Corporation's top priority. We conduct extensive product testing during all phases of development.
